Chalford Tennis Club is situated between Stroud and Cirencester and has four outdoor courts, two of them floodlit. There is a strong adult and junior membership - with approximately 280 members.

Although the hours offered are currently just for a Thursday evening, there is an opportunity for further hours at the club.

Also on offer is a position for a part time [Level 1 Assistant Coach or Tennis Assistant](#) again this would be working on a Thursday evening on their mini tennis programme, 3.45 - 6.30pm with an LTA licensed coach. You should hold a current CRB certificate for this post. Ideally you should have experience working in mini tennis.

Chalford Tennis Club have a strong junior membership and are hoping that developments in the club will provide further work for both positions.

Rate of pay are to be negotiated with the club based on your qualification and level of experience.
