Links to Indoor Series Tournaments

A number of Ariel County Tournaments are linked to Grade 3 Ariel Indoor Series qualifying draws. This means that the winners of certain ACTs will be guaranteed places in respective Ariel Indoor Series qualifying draws. Details of events which link are shown in the end columns of the listings pages which follow. Please note that some links are for boys' events only and some for girls' events only. This is because the links are only possible where the Ariel Indoor Series qualifying venue is not too far away.

OR photocopy this form, complete and return to the relevant county organiser.

- Age groups for the tournaments are determined by a player's age DURING 2008

18 & Under players must be born in 1990 or later	12 & Under players must be born in 1996 or later
16 & Under players must be born in 1992 or later	11 & Under players must be born in 1997 or later
14 & Under players must be born in 1994 or later	10 & Under players must be born in 1998 or later
- All tournaments will be conducted under the Rules of Tennis and LTA Tournament Regulations, including the Code of Conduct.
- All competitors must have a valid LTA membership number and rating. Exceptions are players entering 10U events who are not required to have a rating, however acceptance into the draw will take ratings into account.
- These tournaments have been sanctioned by the LTA as Grade 4 Ranking tournaments with the exception of 11U & 10U which are ineligible for rankings but will count for ratings. Any event receiving fewer than 5 entries will count for ratings only. Please contact your LTA county office for information about additional Grade 4, 5 and 6 winter events and tournaments.
- Entries can be made either online at www.lta.org.uk/Search/FindATournament. OR by post. Any entry forms sent by post must reach the relevant tournament organizer on or before the advertised closing date. Entry lists will be published daily on the website (www.lta.org.uk/Search/FindATournament). The LTA can take no responsibility for loss or late arrival of entries sent via Royal Mail. Entries received after the closing date will not be accepted, unless the number of entries is below the number required to fill each draw.
- Once you have entered a tournament you can check your entry has been received by going to the entry list for that tournament at www.lta.org.uk/Search/FindATournament. You must ensure that your name is on the entry list before the closing date whether you have entered online or by post. The acceptance list for each tournament will be published on the website within a week of the closing date. An email notification will be sent to each player once the acceptance has been made and published. Acceptance and tournament information will not be sent in the post; it is a player's responsibility to check their acceptance status on the website.
- Every competitor must provide credit/debit card details for payment of entry fees. Entry fees vary; they are shown against individual event listings. Payment will be taken from the players who are in the draw after the withdrawal deadline which is 3 working days before the tournament date. No refund will be given to players withdrawing after the withdrawal deadline. Any reserve called in after this point will have their payment taken using the card details provided for that tournament.
- The LTA and Tournament Referee reserve the right to alter the format, programme and order of play at any time, to ensure suitable competition for players and that each event is played to a conclusion.
- No complaint in connection with the tournaments can be entertained by the LTA unless lodged in writing with the organizer within 48 hours of the occurrence of the cause of the complaint. (For details see LTA Tournament Regulation 3.10).
- The host county is guaranteed up to 50% of the entries in the draw provided these are of an appropriate standard. The initial selection will take players' ratings into account and also age group rankings. A player's rating and ranking are as at the date the tournament closes for entry. Seedings shall be at the discretion of the organizer who will use a player's LTA rating and relevant age group ranking on the day of the closing date. It is a player's responsibility to inform the organizer of any change of rating between ratings runs.
- A player may not enter more than one LTA tournament over the same period. If accepted for (or placed on the reserve list for) another event he/she must withdraw either from the reserve list or the County Tournament before the closing date.
- Any player who has been accepted into the draw (or is on the reserve list) who withdraws after the tournament withdrawal date will incur an automatic penalty. The withdrawal date is 9am three working days before the tournament date. Any player withdrawing after this time will forfeit his/her entry free and incur a penalty of one simulated loss. Non arrival at the tournament, with no advance notice to the referee or organizer, will incur two simulated losses. Further disciplinary action may be taken against persistent offenders. To negate any automatic penalty satisfactory documentary evidence must be supplied to the LTA National Competitions Department within 14 days of withdrawal from the tournament or the reserve list.
- If you are registered with LTA online you may withdraw from a tournament using the MY TENNIS facility. If not registered you may withdraw by calling the relevant county tournament organizer. To access MY TENNIS players must Register with LTA ONLINE by visiting www.lta.org.uk and following on-screen instructions.
- Reserves must make themselves available up to the beginning of the tournament. If they are not available they must withdraw from the reserve list before 9am three working days before the tournament date, otherwise penalties will be incurred. A player can keep track of his/her movement up the reserve list by monitoring the website.
